Information Technology Manager***

# ***Texas Imagery Service***

## **Overview**

- **Pilot program for Google imagery service**
- **Google Imagery is not public domain; restricted under license**
- **State of Texas partnership with Google**
- **Available only to state agencies/organizations**
- **Annual fee paid to DIR, needs Inter-Local Contract (ILC) agreement, which requires Board approval**

# ***Texas Imagery Service***

## **Examples and Uses**

- Invaluable when digitizing metes and bounds from legal documents or general plats from surveyors
- Granting or adjusting easements or right-of-ways
  - General access, flood, WCRRWL/TXDOT
- Identifying illegal activities:
  - Structural encroachments (PK, GB, LS)
  - Unlawful trespassing (GB, ACR)
  - Suspicious water discharges
- Clarifying real BRA property boundaries at *ALL* locations, particularly:
  - Graham/Salt Creek Flooding Project
  - EWC groundwater production well site
  - PK Divestiture/Land Sale
