

Electronic Solicitation Submissions

***Presented by
David Thompson
Chief Financial Officer***

Authorization to use electronic solicitation

- **Currently BRA electronically send out Solicitations (RFP & Bids)**
- **Receipt of the responses back from vendors is paper documents that must be scanned in electronically for distribution to BRA employees for use.**
- **Approving electronic submissions by vendors to BRA will reduce the time gathering the paper submissions and scanning for internal use.**

“BE IT RESOLVED that the Board of Directors of the Brazos River Authority hereby approves the acceptance of electronic submissions of solicitation submittals, pursuant to the authority granted by Chapter 49 of the Texas Government Code.”
