

Proposed Saltwater Barrier in the Lower Brazos Basin

Prepared by Water Services

March 31, 2010

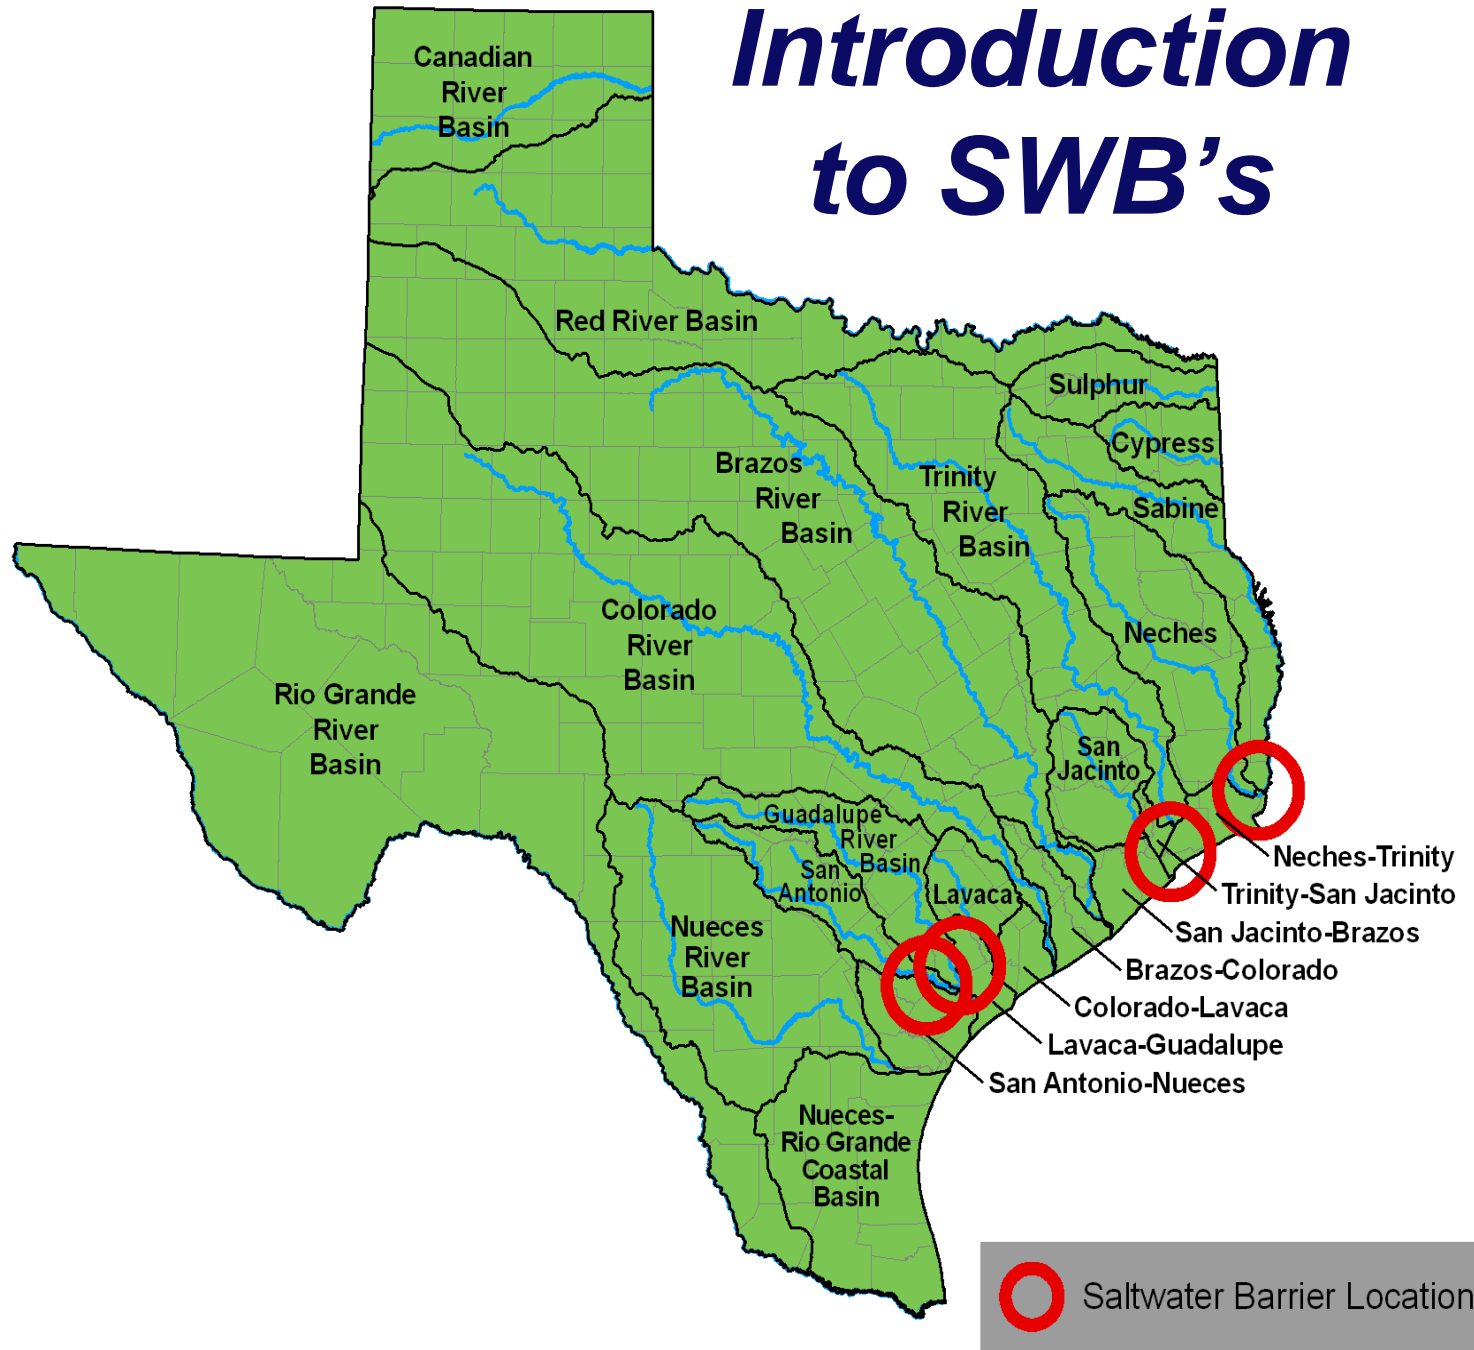

Outline

- Introduction to Saltwater Barriers (SWB)
- Review of the Problems and Needs
- Completed and On-Going Planning
- Current Status and Next Steps

Introduction to SWB's

Brazos River Authority

Brazos River Authority

Brazoria Reservoir

Brazoria Pump Station (DOW)

Brazos River Diversion Channel

Completed and On-Going Planning

- **Region H Water Management Strategy Analysis**
- **Project Management Plan Development**

Next Step

Feasibility Study

- Programs & Project Management**
- Planning Study Supervision**
- Environmental Efforts**
- General Engineering**
- Geotechnical & Structures Cost**
- Value Engineering**
- Hydrology & Hydraulics Investigations**
- Real Estate**
