Re: Termination of the Stage 1 – Drought Watch Declaration for Lakes Belton, Stillhouse Hollow, Whitney, Georgetown, Somerville, Aquilla, and Limestone

Dear Mr. Beevers:

Your entity was notified by letter, dated March 27, 2026, of the Stage 1 - Drought Watch Declaration for Lakes Possum Kingdom, Whitney, Aquilla, Proctor, Belton, Limestone, Somerville, Stillhouse Hollow, and Georgetown.

Due to recent rains and inflows, Lakes Belton, Stillhouse Hollow, Georgetown, Somerville, and Whitney are now full, while Lakes Aquilla and Limestone are approaching full capacity. We do not anticipate drought conditions returning at these lakes in the near future.

**As such, the BRA is terminating the Stage 1 – Drought Watch Declaration for Lakes Belton, Stillhouse Hollow, Whitney, Georgetown, Somerville, Aquilla, and Limestone.** A Stage 1 – Drought Watch condition remains in effect for Lakes Possum Kingdom and Proctor. If drought conditions re-emerge later this year, the Brazos River Authority will coordinate with you as necessary in accordance with the Drought Contingency Plan (DCP).

The DCP is available on our website at <https://www.brazos.org> under About Us – Water Supply – Drought – Drought Contingency Plan. Current drought information is also located on the website at <http://www.brazos.org/About-Us/Water-Supply/Drought>.

Re: Termination of the Stage 1 – Drought Watch Declaration for Lakes Belton, Stillhouse Hollow, Whitney, Georgetown, Somerville, Aquilla, and Limestone

Dear Mr. Williams:

Your entity was notified by letter, dated March 27, 2026, of the Stage 1 - Drought Watch Declaration for Lakes Possum Kingdom, Whitney, Aquilla, Proctor, Belton, Limestone, Somerville, Stillhouse Hollow, and Georgetown.

Due to recent rains and inflows, Lakes Belton, Stillhouse Hollow, Georgetown, Somerville, and Whitney are now full, while Lakes Aquilla and Limestone are approaching full capacity. We do not anticipate drought conditions returning at these lakes in the near future.

**As such, the BRA is terminating the Stage 1 – Drought Watch Declaration for Lakes Belton, Stillhouse Hollow, Whitney, Georgetown, Somerville, Aquilla, and Limestone.** A Stage 1 – Drought Watch condition remains in effect for Lakes Possum Kingdom and Proctor. If drought conditions re-emerge later this year, the Brazos River Authority will coordinate with you as necessary in accordance with the Drought Contingency Plan (DCP).

The DCP is available on our website at <https://www.brazos.org> under About Us – Water Supply – Drought – Drought Contingency Plan. Current drought information is also located on the website at <http://www.brazos.org/About-Us/Water-Supply/Drought>.
