Re: Termination of Lake Proctor Stage 1 Drought Watch Declaration

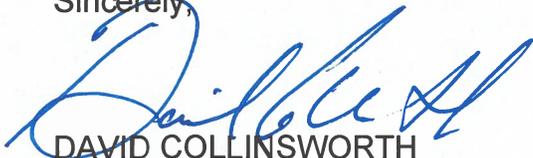

Dear Mr. Sorrells:

The Brazos River Authority (BRA) informed you by letter of the downgrade to a Stage 1 Drought Watch condition at Lake Proctor on June 12, 2024. Recent rain events have resulted in significant improvements to the water supply at Lake Proctor with the reservoir elevation now over three feet above the Stage 1 Drought Watch trigger elevation of 1158.2 feet above mean sea level outlined in BRA's Drought Contingency Plan (DCP).

**Therefore, the BRA is terminating the Stage 1 Drought Watch declaration for Lake Proctor.** The BRA will coordinate with you as necessary in accordance with the BRA's DCP when drought conditions return.

If you have questions, please contact Ms. Amy Muttoni, Regional Customer Relations Business Manager for the Central and Lower Basins, at (254) 761-3165.

Sincerely,

DAVID COLLINSWORTH  
General Manager/CEO
