

# ***Clute-Richwood Wastewater Treatment Operations Contract***

***Presented by  
Brad Brunett***

***Central & Lower Basin Regional Manager***

# ***Clute-Richwood Wastewater Treatment Plant***

# ***Summary***

- **Four million gallon per day plant and reuse facility**
- **Four BRA employees**
- **Treats wastewater from the Cities of Clute and Richwood**
- **BRA has been operating the facility since Oct. 1, 2000, under a cost-reimbursable contract**
- **Original 20-year contract expired last year and was extended for one year**
- **The one-year extension expires September 30, 2021**
- **Cities have requested another one-year extension while they consider long-term options**
- **2022 budget is approximately \$858,163; BRA Management Fee is \$42,908**
- **Recommend Board grant authorization for General Manager/CEO to execute one-year contract extension**

**“WHEREAS, the Brazos River Authority has operated and maintained the Clute-Richwood Regional Sewerage System under a 20-year, cost-reimbursable Agreement with the Cities of Clute and Richwood that expired on September 30, 2020, and was extended for one year through September 30, 2021; and**

**WHEREAS, the Cities have requested another one-year extension of the existing Agreement to begin on October 1, 2021, and to expire on September 30, 2022.**

**NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Brazos River Authority hereby authorizes the General Manager/CEO to execute a one-year extension of the Clute-Richwood Regional Sewerage System Agreement to begin on October 1, 2021, and to expire on September 30, 2022.”**
