

Interlocal Agreement with TWDB for Groundwater Availability Model (GAM) Update

***Presented by
Brad Brunett
Water Services Manager***

Resolution

“BE IT RESOLVED that the Board of Directors of the Brazos River Authority hereby authorizes the General Manager/CEO to execute an Interlocal Agreement with the Texas Water Development Board under which the BRA will provide funding in an amount not to exceed \$20,000 to refine and improve the capability of the central portion of the Queen City, Sparta, and Carrizo-Wilcox aquifers Groundwater Availability Model to simulate groundwater and surface water interaction within the Brazos basin.”
