2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

## Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.*

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

**Note:** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

**Foreign person.** If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

**Nonresident alien who becomes a resident alien.** Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

## Backup Withholding

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

## What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

## Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

## Specific Instructions

### Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

**Note: ITIN applicant:** Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or “doing business as” (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, “Business name/disregarded entity name.” If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

### Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

### Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

IF the entity/person on line 1 is a(n) . . .	THEN check the box for . . .

**Exemption from FATCA reporting code.** The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

**Note:** You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

## Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

## Line 6

Enter your city, state, and ZIP code.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

**Note:** See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at [www.SSA.gov](http://www.SSA.gov). You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at [www.irs.gov/Businesses](http://www.irs.gov/Businesses) and clicking on Employer Identification Number (EIN) under Starting a Business. Go to [www.irs.gov/Forms](http://www.irs.gov/Forms) to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to [www.irs.gov/OrderForms](http://www.irs.gov/OrderForms) to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

**Signature requirements.** Complete the certification as indicated in items 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.**

You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

**Secure Your Tax Records From Identity Theft**

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

**Protect yourself from suspicious emails or phishing schemes.**

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to [phishing@irs.gov](mailto:phishing@irs.gov). You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at [spam@uce.gov](mailto:spam@uce.gov) or report them at [www.ftc.gov/complaint](http://www.ftc.gov/complaint). You can contact the FTC at [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see [www.IdentityTheft.gov](http://www.IdentityTheft.gov) and Pub. 5027.

Visit [www.irs.gov/IdentityTheft](http://www.irs.gov/IdentityTheft) to learn more about identity theft and how to reduce your risk.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

## VENDOR COMPLIANCE TO STATE LAW

Section 2252.002, Texas Government Code, provides that, in order to be awarded a contract as low bidder, non-resident bidders (out-of-state contractors whose corporate offices or principal place of business are outside of the State of Texas) bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the State in which the non-resident's principal place of business is located. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident bidders in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that bidder. Resident bidders must check the box in Section B.

A. Non-resident vendors in \_\_\_\_\_ (give state), our principal place of business, are required to be \_\_\_\_\_ percent lower than resident bidders by state law. A copy of the statute is attached.

Non-resident vendors in \_\_\_\_\_ (give state), our principal place of business, are not required to underbid resident bidders.

B. Our principal place of business or corporate office is in the State of Texas.

**\*Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

# HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

**NOTE:** Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

## - - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.285(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract\*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

If you responded "No" to SECTION 2, Item a, in the space provided below **explain how** your company will perform the entire contract with its own employees, supplies, materials and/or equipment.

#### **SECTION 4: AFFIRMATION**

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

- a.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. - c. If any of the subcontractors you have selected to perform the subcontracting opportunity you listed in **SECTION B-1** is not a Texas certified HUB, provide written justification for your selection process (attach additional page if necessary):

**REMINDER:** As specified in SECTION 4 of the completed HSP form, if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to **all** the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity it (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

# HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of \$100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.285 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code §20.282(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.

## **CONTRACT FOR CONSTRUCTION SERVICES**

In consideration of the mutual promises set forth below, the **Brazos River Authority** ("BRA"), a river authority of the state of Texas whose address is 4600 Cobbs Drive, Waco, Texas 76710, and the independent contractor, **CONTRACTOR** ("CONTRACTOR"), whose address is \_\_\_\_\_, enter into this Contract ("Contract") as of the \_\_\_\_\_ day of \_\_\_\_\_, 2023, and agree as follows:

### **Section I. Performance of Work**

**1.1.** The CONTRACTOR hereby agrees, at its sole cost and expense, to provide, perform, and complete to the satisfaction of the BRA all of the "Work" specified in "Exhibit A", attached hereto and incorporated by reference herein. The term "Work", as used herein, shall mean the detailed description of tasks to be performed by the CONTRACTOR, as established in "Exhibit A". In performing the Work, the CONTRACTOR shall provide all necessary labor, services, transportation, information, data, and other means and items necessary to perform the Work.

**1.2.** The CONTRACTOR hereby covenants and agrees, as an independent contractor, to provide, perform, and complete all of the Work required in strict accordance with the terms and provisions of this Contract and in a manner consistent with the professional and construction practices of a reasonably prudent contractor and in full compliance with, and as required by or pursuant to, this Contract, and all attached Exhibits, and with the greatest economy, and efficiency consistent therewith.

**1.3.** The CONTRACTOR shall procure and furnish all bonds and all certificates and policies of insurance specified in this Contract.

### **Section II. Contract Time**

**2.1.** The services of the CONTRACTOR shall commence on the effective date of this Contract and shall continue until the Work is completed. Once commenced, CONTRACTOR shall diligently pursue the Work to completion.

**2.2.** The CONTRACTOR represents and warrants that it has had sufficient opportunity to inspect the worksite and surrounding area and has completed such inspection to its satisfaction. Based on the same, the CONTRACTOR warrants it is ready, willing, able, and prepared to begin the Work and that the Contract time is sufficient time to permit completion of the Work in full compliance with, and as required by or pursuant to, this Contract for the Contract price, all with due regard to all natural and man-made conditions that may affect the Work or the worksite and all difficulties, hindrances, and delays that may be incident to the Work.

**2.3.** If CONTRACTOR is delayed at any time in the progress of the Work by any act or negligence of the BRA, any employee of the BRA, any other contractor employed by the BRA, by any changes ordered in the Work, by strikes, walk-outs, fire, unusual delay in

transportation, unavoidable casualties, any other causes beyond CONTRACTOR's control, by delay authorized by BRA pending arbitration, or any other delay authorized by BRA, then the time of completion shall be extended for such reasonable time equivalent to the circumstances which caused the delay.

**2.4.** Should the CONTRACTOR be delayed in the prosecution or completion of the Work under this Contract by adverse weather conditions, then the time herein fixed for the completion of said Work will be extended for a period equivalent to the time lost by reason of such adverse weather conditions. It is understood and agreed that no extension of time will be granted to CONTRACTOR unless he notifies the BRA Representative ( ) as to the approximate number of days he expects to be delayed by adverse weather conditions.

**2.5.** It is further expressly understood and agreed that the CONTRACTOR shall not be entitled to any damages or compensation from BRA or be reimbursed for any loss or expense on account of any delay, resulting from such adverse weather conditions.

**2.6.** It is understood and agreed that time is of the essence, and CONTRACTOR agrees to begin actual Work covered by this Contract in conformity with the provisions set forth herein and to prosecute the same with all due diligence, to complete the Work in its entirety under this Contract within the calendar days specified herein.

### **Section III. Contract Price**

**3.1.** The BRA shall pay to CONTRACTOR, in full satisfaction for providing, performing, and completing the Work, the Contract sum not to exceed ( \$ ) as set forth in Exhibit "B", attached hereto and incorporated by reference herein for all purposes. The CONTRACTOR shall be paid on the basis of a properly executed monthly invoice and Payment Request in a form acceptable to the BRA. The invoice for services will contain description of services performed. CONTRACTOR shall allow sufficient time for any such invoice to be received by the BRA, approved, and processed.

**3.2.** The BRA reserves and shall have the right before full payment has been remitted to the CONTRACTOR to pay any and all claims against the CONTRACTOR or against any subcontractor for labor and any claim for materials and deduct the amount from the amount due CONTRACTOR, provided that this provision shall not apply to any claim of a subcontractor against CONTRACTOR (and shall not be construed to require the BRA to do so.)

**3.3.** Nothing contained in this Contract shall require the BRA to pay for any Work that is unsatisfactory as determined by the BRA or which is not submitted in compliance with the terms of this Contract. The BRA will not be required to make any payments to the CONTRACTOR, when the CONTRACTOR is in default under this Contract, nor shall this paragraph constitute a waiver of any right, at law or in equity, which the BRA may have if the CONTRACTOR is in default, including the right to bring legal action for damages or

for specific performance of this Contract. Waiver of any default under this Contract shall not be deemed a waiver of any subsequent default.

**3.4.** Nothing contained herein shall be construed as authorizing additional fees for services to complete actions not specifically listed for successful completion of the Work.

#### **Section IV. Final Payment**

**4.1.** Final Payment of this Contract shall be conditioned upon the satisfactory completion of the Work as determined after final inspection and approval by the BRA. Additionally, final payment shall be subject to receipt of CONTRACTOR's written affidavit that all of CONTRACTOR's bills pertaining to this job have been paid and are free from any liens, and CONTRACTOR's execution and delivery to the BRA of a release of all claims against the BRA arising under, or by virtue of, this Contract, except claims which are specifically exempted by the CONTRACTOR to be set forth therein.

**4.2.** Unless otherwise provided in this Contract, by State law or otherwise expressly agreed to by the parties to this Contract, final payment under this Contract or settlement upon termination of this Contract shall not constitute a waiver of the BRA's claims against the CONTRACTOR or his sureties under this Contract or applicable performance and payment bonds.

#### **Section V. Acceptance as Full Payment and Satisfaction**

**5.1.** CONTRACTOR shall accept the Contract price in full satisfaction and payment **for well and faithfully** providing, performing, and completing within the Contract time, all the Work in compliance with and as required by or pursuant to this Contract.

**5.2.** The acceptance by CONTRACTOR of final payment shall operate as a full and complete release of the BRA of and from any and all lawsuits, claims, demands, damages, liabilities, losses, and expenses of, by, or to CONTRACTOR for anything done, furnished for, arising out of, relating to, in connection with the Work, or for on account of any act or neglect of the BRA arising out of, relating to, or in connection with the Work.

#### **Section VI. Insurance**

**6.1.** The CONTRACTOR shall, at CONTRACTOR's sole expense, maintain insurance coverage as set forth below:

**i. General Liability Insurance:**

Bodily Injury	\$500,000 per person
Bodily Injury	\$1,000,000 per occurrence
Bodily Injury	\$2,000,000 aggregate
Property damage	\$1,000,000 per occurrence
Property damage	\$2,000,000 aggregate

- ii. Workers Compensation: Statutory**
- iii. Comprehensive Automobile Liability Insurance: \$1,000,000 per claim/aggregate**
- iv. Employer's Liability: \$1,000,000 policy limit**

**6.2.** Comprehensive Automobile Liability Insurance shall include bodily injury and property damage arising out of operation, maintenance, or use of any auto, including owned, non-owned, hired automobiles, and employee non-ownership use, and to cover the Work under the Contract and all operations in connection herewith.

**6.3.** The CONTRACTOR shall not commence Work under the Contract until the CONTRACTOR has obtained all the insurance required under this Contract and such insurance has been approved by the BRA, nor shall the CONTRACTOR allow any subcontractor to commence Work on the CONTRACTOR's subcontract until all similar insurance of the subcontractor has been obtained and approved by the BRA. All required policies shall name the BRA as an additional insured, except Workers' Compensation. The CONTRACTOR's Commercial General Liability Insurance policy shall contain no condition or endorsement that prohibits the BRA as an additional insured from making a claim under said policy against the CONTRACTOR as a named insured. As proof of the CONTRACTOR's insurance coverage, the CONTRACTOR shall furnish to BRA valid certificates of insurance of the types and limits required herein, listing BRA as the certificate holder and additional insured, prior to commencing Work on the project. In the event CONTRACTOR's insurance coverage does not provide for automatic additional insured coverage, CONTRACTOR shall provide BRA an additional insured endorsement along with its certificate. As proof of insurance coverage by the CONTRACTOR's subcontractors, the CONTRACTOR shall furnish to BRA such subcontractors' valid certificates of insurance of the types and limits required herein, including additional insured endorsements listing BRA as an additional insured under such policies.

**6.4.** Concerning insurance to be furnished by the CONTRACTOR, it is a condition precedent to acceptability thereof that:

- i.** Any policy submitted shall not be subject to limitations, conditions or restrictions deemed inconsistent with the intent of the requirements to be fulfilled by the CONTRACTOR; and

- ii.** All policies are to be written through companies duly approved to transact that class of insurance in the State of Texas.

**6.5.** The CONTRACTOR agrees to the following:

- i.** The CONTRACTOR hereby waives subrogation rights for loss or damage to the extent same are covered by insurance. Insurers shall not have the right to recovery

or subrogation against the BRA, it being the intention that the insurance policies shall protect all parties to the Contract and be primary coverage for all losses covered by the policies.

ii. Companies issuing the insurance policies and the CONTRACTOR shall have no recourse against the BRA for payment of any premiums, or assessments for any deductible, as all such premiums are the sole responsibility and risk of the CONTRACTOR.

iii. Approval, disapproval, or failure to act by the BRA regarding any insurance supplied by the CONTRACTOR (or any subcontractors) shall not relieve CONTRACTOR of full responsibility or liability, if any, for damages and accidents as set forth in the Contract. Neither shall the insolvency or denial of liability by the insurance company exonerate the CONTRACTOR from liability.

iv. No special payments shall be made for any insurance that the CONTRACTOR and subcontractors, if any, are required to carry; all are included in the Contract price and the Contract unit prices; and

v. Any of the insurance policies required under this section may be written in combination with any of the others, where legally permitted, but none of the specified limits may be lowered thereby.

## **Section VII. Bonds**

7.1. CONTRACTOR shall furnish a payment, performance before beginning Work. The payment and performance bonds shall be in an amount equal to one hundred percent (100%) of the Contract price. CONTRACTOR shall furnish a warranty bond at the time of final acceptance by the BRA.

## **Section VIII. Warranty**

8.1. CONTRACTOR shall provide a written warranty against defects of materials for a period of       years      , beginning with the date of completion of the Work, as further provided in Exhibit "A".

## **Section IX. Termination**

9.1. This Contract may be terminated at any time by BRA for any cause without penalty or liability. Upon receipt of such notice by BRA, the CONTRACTOR shall immediately discontinue all services and actions on behalf of BRA.

9.2. As soon as practicable after receipt of notice of termination, the CONTRACTOR shall submit a statement showing in detail the costs of services performed but not paid for under this Contract through the date of termination. The CONTRACTOR will forward to BRA all portions of the Work performed through the date of termination. BRA shall then pay the CONTRACTOR promptly the accrued and unpaid amounts due for services to

the date of termination, to the extent the services are approved by BRA.

## **Section X. Default**

**10.1.** The BRA may terminate this Contract without prejudice to any other remedy it may have when the CONTRACTOR defaults in performance of any provision herein or fails to carry out the Work in accordance with the provisions of this Contract. On such termination, the BRA may take possession of the worksite and all materials, equipment, tools, and machinery thereon, and finish the Work in whatever way the BRA deems expedient. In addition, if the expense of finishing the Work exceeds the unpaid balance at the time of termination, CONTRACTOR agrees to pay the difference to the BRA.

**10.2.** On such default by CONTRACTOR, the BRA may elect not to terminate the Contract, and in such event the BRA may make good the deficiency in which the default consists and deduct the costs from the Contract sum to become due to CONTRACTOR, or the BRA may choose to order a partial or complete reconstruction of the Work if improperly done.

## **Section XI. Liability**

**11.1.** CONTRACTOR shall be solely and completely responsible for providing and maintaining safe conditions at the worksite, including the safety of all persons and property during performance of the Work. This requirement shall apply continuously and shall not be limited to normal working hours. CONTRACTOR shall take all safety precautions as shall be necessary to comply with all applicable laws and to prevent injury to persons and damage to property. This liability includes any injury or damage occurring on account of the performance of Work under this Contract, whether due to the negligence, fault, or default of the CONTRACTOR or not.

## **Section XII. Indemnification and Contribution**

**12.1.** THE CONTRACTOR SHALL COMPLY WITH THE REQUIREMENTS OF ALL APPLICABLE LAWS, RULES AND REGULATIONS AND SHALL EXONERATE, INDEMNIFY AND HOLD THE BRA HARMLESS FROM ANY AND ALL LIABILITY OR DAMAGES RESULTING FROM FAILURE TO DO SO.

**12.2.** IN ADDITION, THE CONTRACTOR AGREES TO KEEP, SAVE, INDEMNIFY, AND HOLD BRA HARMLESS FROM ANY AND ALL ACTIONS, LIABILITIES, DAMAGES, JUDGMENTS, COSTS AND EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES, IN CASE AN ACTION IS FILED OR DOES IN ANY WAY ACCRUE AGAINST BRA, ITS OFFICIALS, OFFICERS, AND EMPLOYEES IN CONSEQUENCE OF THIS CONTRACT FOR ANY NEGLIGENT ACT OR OMISSION OF THE CONTRACTOR IN THE PERFORMANCE OF THE WORK UNDER THIS CONTRACT, OR THAT MAY RESULT FROM THE CARELESSNESS OR LACK OF SKILL OF THE CONTRACTOR OR THE CONTRACTOR'S AGENTS, SUBCONTRACTOR, ASSIGNS OR EMPLOYEES. IN THE EVENT A JUDGMENT IS RECOVERED AGAINST BRA FOR

ANY SUCH LIABILITY, COSTS OR EXPENSES, SUCH JUDGMENT SHALL BE CONCLUSIVE AGAINST THE CONTRACTOR. THE CONTRACTOR IS SIMILARLY RESPONSIBLE FOR REIMBURSEMENT TO THE BRA WHENEVER SUCH CLAIMS AND ACTIONS REACH VOLUNTARY SETTLEMENTS RATHER THAN JUDGMENTS. THE CONTRACTOR WILL PAY SUBSEQUENT FULL CONTRIBUTION TO THE BRA.

**12.3.** IT IS SPECIFICALLY UNDERSTOOD AND AGREED BY THE CONTRACTOR THAT SUCH INDEMNITY IS INDEMNITY BY THE CONTRACTOR TO INDEMNIFY AND PROTECT BRA FROM LIABILITY, CLAIMS, SUITS, LOSSES, DAMAGES OR CAUSES OF ACTION CAUSED BY OR RESULTING FROM AN ACT OF NEGLIGENCE, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER COMMITTED BY THE CONTRACTOR, THE CONTRACTOR'S AGENT, CONSULTANT UNDER CONTRACT, OR ANOTHER ENTITY OVER WHICH THE CONTRACTOR EXERCISES CONTROL. BRA AGREES TO GIVE CONTRACTOR PROMPT NOTICE OF ANY CLAIM, CONTROL OF THE DEFENSE OR SETTLEMENT OF THAT CLAIM, REASONABLE ASSISTANCE, AND INFORMATION RELATED TO THE CLAIM.

### **Section XIII. Review of Contract**

**13.1.** CONTRACTOR has carefully examined, reviewed, and accepted this Contract agreement and there are no discrepancies, errors, omissions, ambiguities, or conflicts in this Contract that are material to CONTRACTOR's provision, performance or completion of the Work, the Contract price or Contract time that have not been clarified in writing by the BRA to the satisfaction of the CONTRACTOR. CONTRACTOR shall hereafter have no claim for payment or compensation in excess of the Contract price of                     (\$        )                    .

### **Section XIV. Right to Audit**

**14.1.** The CONTRACTOR shall establish and maintain a reasonable accounting system that enables BRA to readily identify the CONTRACTOR's assets, expenses, costs of goods, and use of funds. BRA and its authorized representatives shall have the right to audit, to examine, and to make copies of or extracts from all financial and related records (in whatever form they may be kept, whether written, electronic, or other) relating to or pertaining to this Contract kept by or under the control of the CONTRACTOR, including, but not limited to those kept by the CONTRACTOR, its employees, agents, assigns, successors, and subcontractors. Such records shall include, but not be limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; canceled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; contract amendments and change order files; back charge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence.

**14.2.** The CONTRACTOR shall, at all times during the term of this Contract and for a period of ten years after the completion of this Contract, maintain such records, together with such supporting or underlying documents and materials. The CONTRACTOR shall at any time requested by BRA, whether during or after completion of this Contract, and at the CONTRACTOR's own expense make such records available for inspection and audit (including copies and extracts of records as required) by BRA. Such records shall be made available to BRA during normal business hours at the CONTRACTOR's office or place of business and subject to a three-day written notice. In the event no such location is available, then the financial records, together with the supporting or underlying documents and records, shall be made available for audit at a time and location that is convenient for BRA.

**14.3.** The CONTRACTOR shall ensure BRA has these rights with the CONTRACTOR's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the CONTRACTOR and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the CONTRACTOR's obligations to BRA.

#### **Section XV. Independent Contractor**

**15.1.** The CONTRACTOR covenants and agrees that CONTRACTOR is an independent contractor and not an officer, agent, servant, or employee of BRA. The CONTRACTOR hereby acknowledges that it shall have exclusive control of and exclusive right to control the details of the Work, performed hereunder, and all persons performing same, and shall be liable for the acts and omissions of its officers, agents, employees, and subcontractors.

**15.2.** In addition, the CONTRACTOR agrees that the doctrine of *respondeat superior* shall not apply as between the BRA and the CONTRACTOR, and nothing herein shall be construed as creating a partnership or joint enterprise between the BRA and the CONTRACTOR.

#### **Section XVI. Disclosure**

**16.1.** By signature of this Contract, the CONTRACTOR acknowledges to BRA that the CONTRACTOR has made full disclosure in writing of any existing conflicts of interest or potential conflicts of interest, including personal financial interests, direct or indirect, in property abutting the proposed Work, and business relationships with abutting property owners.

**16.2.** The CONTRACTOR further agrees that CONTRACTOR will make disclosure in writing of any conflicts of interest, which develop subsequent to the signing of this Contract and prior to final payment under the Contract.

#### **Section XVII. Compliance with Laws**

**17.1.** CONTRACTOR shall at all times observe and comply with the provisions of the Charter, ordinances and regulations of the BRA, and all state and federal laws, rules and regulations, which in any manner limit, control, or apply to the actions or operations of CONTRACTOR, his subcontractors, or his or their employees, agents or servants, engaged upon the Work or affecting the materials supplied to or by them.

#### **Section XVIII. Remedies**

**18.1.** No right or remedy granted herein or reserved to the parties is exclusive of any other right or remedy herein by law or equity provided or permitted; but each shall be cumulative of every other right or remedy given hereunder. No covenant or condition of this Contract may be waived without consent of the parties. Forbearance or indulgence by either party shall not constitute a waiver of any covenant or condition of this Contract.

#### **Section XIX. Assignment**

**19.1.** CONTRACTOR shall not assign this Contract in whole or part, assign any of its rights or obligations under this Contract or assign any payment due or to become due under this Contract, without the prior, express written consent of the BRA. Any attempted or purported assignment by CONTRACTOR without the BRA's approval shall be void and of no force and effect and shall constitute a default under this Contract for which the BRA shall have the right to invoke Section X. of this Contract.

#### **Section XX. No Third-Party Beneficiaries**

**20.1.** No claim as a third-party beneficiary under this Contract by any person, firm, or corporation other than CONTRACTOR shall be made or be valid against the BRA, and the BRA shall not be liable for or be held to pay any money to any such person.

#### **Section XXI. Severability**

**21.1.** The provisions of this Contract shall be interpreted when possible to sustain their legality and enforceability as a whole. In the event any provision of this Contract shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, in whole or in part, neither the validity of the remaining part of such provision, nor the validity of any other provisions of this Contract, shall be in any way affected thereby. The unenforceability of any provision of this Contract in a specific situation shall not affect the enforceability of that provision in any other situation.

#### **Section XXII. Entire Agreement**

**22.1.** This Contract sets forth the entire agreement of the BRA and CONTRACTOR with respect to the accomplishment of the Work and the payment of the Contract price therefore, and there are no other understandings or agreements, oral or written, between BRA and CONTRACTOR with respect to the Work and the compensation therefore, nor

was the making and execution of this Contract induced by any representation, statement, warranty, agreement, or action other than those expressed or explicitly referenced herein.

### **Section XXIII. Headings**

**23.1.** The headings of this Contract are for the convenience of reference only and shall not affect in any manner any of the terms and conditions hereof.

### **Section XXIV. Venue**

**24.1.** The parties to this Contract agree and covenant that this Contract will be enforceable in McLennan County, Texas; and if legal action is necessary to enforce this Contract, exclusive venue will lie in McLennan County, Texas.

### **Section XXV. Boycotting Provisions**

**25.1** CONTRACTOR hereby verifies that CONTRACTOR:

- i. Does not currently, and will not for the term of this Contract, boycott Israel;
- ii. Does not currently, and will not for the term of this Contract, boycott any company that engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or
- iii. Does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this Contract against a firearm entity or firearm trade association.

### **Section XXVI. Notices**
