**Addendum No. 1
ENGINEERING AND PERMITTING SERVICES FOR ALLENS CREEK RESERVOIR
PROJECT
RFP No. 23-07-1319**

It is the responsibility of the Respondent to assure and guarantee by acknowledging the receipt of this Addendum in the proposal that the Respondent has received the Addendum in its entirety, and that the Respondent accepts all conditions contained herein.

CHANGE TO THE REQUEST FOR PROPOSAL

The inclusion of Section 11 of the Request for Proposal was an oversight. Due to the complex nature of the scope, discussions will be part of the negotiations with the selected firm.

Delete Section 11 from the RFP in its entirety.
