### **Addendum No. 2 Regional Water Plan Preparation for the Brazos G Regional Water Planning Group RFP No. 21-05-1211**

It is the responsibility of the Respondent to assure and guarantee by acknowledging the receipt of this Addendum in the Proposal that the Respondent has received the Addendum in its entirety, and that the Respondent accepts all conditions contained herein.

**Question 1:**

Tab A.4/B.2 – Tab A, item 4 requests services completed within last 5 years including name, location, description of scope of services, and contact name. Same request in Tab B, item 2 but within last 10 years (limited to 5 total). What are you anticipating the difference of response between Tab A.4 and Tab B.2? Would it be okay to only address the request in Tab B item 2?

**Answer 1:**

Yes, answering only Tab B, Item 2 is sufficient.

**Question 2:**

Tab B.2 – Request list of projects with “cost estimate accuracy”. Please define “cost estimate accuracy” for a planning report. Regional plans are required to use the TWDB Uniform Costing Model for costing of water management strategies.

**Answer 2:**

Please describe how project cost is estimated due to the required use of the TWDB Uniform Costing Model and a budget determined by the amount of funds allocated by TWDB it is important to be efficient and accurate in estimating each tasks budget and the category expenses related to the regional water plan.

Sincerely,
