- C. The Contractor shall provide driving heads and other devices for sheet pile driving and shall conform to the recommendations of the manufacturer.

3.03 INSTALLATION

A. General:

- 1. All welding or gas cutting shall be in accordance with the current standards of the American Welding Society.
- 2. Virtual Refusal:
 - a. Steel sheet piling shall be driven to the depths shown on the DRAWINGS or to virtual refusal.
 - b. Virtual refusal is defined as ten (10) blows per inch with an approved pile hammer.
 - c. A pile hammer shall be used to determine virtual refusal.
 - d. The hammer shall be operating at the manufacturer's recommended stroke and speed when virtual refusal is measured.
 - e. The Contractor shall not attempt to drive sheet piles beyond the point of refusal, as indicated by excessive bouncing of the hammer or kicking of the sheet pile.

B. Sheet Piling Driving:

- 1. Steel sheet piling shall be assembled before driving and then driven as a continuous wall, progressively in stages to keep the piles aligned correctly and minimize the danger of breaking the interlock between the sheets.
- 2. Steel sheet piling shall be driven to form a tight bulkhead.
- 3. A driving head shall be used and any piling which is damaged in driving or which has broken interlocks between sections shall be pulled and replaced at CONTRACTOR's expense.
- 4. The piling shall be driven within the following tolerances:
 - a. Alignment:
 - 1) Sheet pile shall be driven to form a relatively straight line between the termini points shown on the DRAWINGS.
 - 2) Horizontal deviation of any point from a straight line connecting the two ends of the wall section shall be a maximum of six (6) inches.
 - b. Plumbness: Each individual sheet pile section shall be driven vertical, within a horizontal tolerance of two percent (2%) of any vertical length measured along the pile.
 - c. Elevation:
 - 1) Tops of sheet pile sections shall be within a tolerance of one (1) inch from plan elevations.

- 2) CONTRACTOR shall not be paid for excess sheet pile trimmed off the end of the pile to meet final grade.
 - d. At any time the forward edge of the sheet pile wall is found to be out of correct alignment: (a) the piling already assembled and partly driven shall be driven to the required depth, and (b) taper piles shall be then driven to bring the forward edge into correct alignment before additional regular piling is assembled and driven. The maximum permissible taper in a single pile shall be one-fourth inch per foot of length.
 - e. CONTRACTOR shall brace and/or provide soil grading as necessary during construction operations in order to provide lateral stability for the sheet pile wall. The sheet pile wall has been designed for the soil grades of the final configuration denoted on the DRAWINGS only. Other temporary configurations during the construction period shall not be allowed.
 - f. Care shall be taken during driving to keep from causing deformations of the top of the piles, splitting of section, or breaking of the interlock between sections. Care shall also be taken during driving to prevent and correct any tendency of steel sheet piles to twist or get out of plumb.
 - g. Steel Z piling shall be driven with the ball-end leading. Proper care and planning shall be used to allow for this construction procedure in both immediate and possible future walls.
 - h. Alternate Z piles shall be reversed end for end for proper interlocking in the "normal" position. Piles shall also be aligned properly to maintain a "normal" driving width.
 - i. For sheet piles driven into the native soils, pre-drilled soils, or excavated soils a vibratory driver may be used as long as the required depth is obtained.
 - j. For sheet piles being driven into bedrock, an approved hammer utilizing a minimum hammer energy of 19,000 foot-pounds per square inch of steel section shall be used to obtain the required depth or virtual refusal. The hammer shall be clearly marked so that it can be identified at the job site.
 - k. Steel sheet pile that is full length as shown on the DRAWINGS and is required to be driven below the specified cutoff elevation shall be spliced with additional steel sheet piling with a full penetration butt weld.
5. Trench Embedment of Sheet Piling
 - a. Steel sheet piling is embedded by excavating a trench and backfilling to the dimensions and lines shown on the drawings.
 - b. Backfill material shall be placed and compacted to the density of the surrounding material, taking care not to displace or damage the steel sheet piling or its protective coating.
 - c. Backfill material shall contain no frozen soil, sod, brush, roots or other perishable material.
 6. Cutting Off Piles
 - a. The Contractor shall cut off the steel sheet pile at the specified elevations. The length of the pile cut off shall be sufficient to permit the removal of all damaged material.

7. Defective Piles and Damaged Coatings

- a. Any sheet pile ruptured in the interlock or otherwise damaged during installation shall be pulled and replaced.
- b. Damaged coatings on painted steel sheet piles shall be prepared and repainted in accordance with the manufacturer's specifications of the original coating.
- c. Damaged galvanized coatings shall be repaired with ZRC Cold Galvanizing Compound or an approved equal and in accordance with ASTM A 780, Repair of Damaged and Uncoated Areas of Hot-Dip Galvanized Coatings.

COMPACTED EARTH FILL

1.01 WORK INCLUDED

- A. Furnish labor, materials, equipment and incidentals, and perform the necessary operations in connection with preparing the subgrades for the embankments and placing and compacting the permanent earth fill and backfill not otherwise specified.
- B. Backfill for pipelines is not a part of this specification section
- C. Structural Excavation and backfill for structures is not a part of this specification.

1.02 QUALITY ASSURANCE

A. DEFINITIONS

The term "embankment" as used in these specifications is defined as the earth fill portions of the construction fill.

B. GENERAL PROVISIONS

1. LINES AND GRADES

The embankments shall be constructed to the lines, grades, and cross sections indicated on the drawings. The embankments and fills shall be final graded to a tolerance of + or - 0.1 feet, except earth fill underneath roadways shall be graded to a tolerance of + or - 0.04 feet. The end slopes and side slopes of fill sections shall not be steeper than those shown on the plans.

2. CONDUCT OF THE WORK

- a. Maintain and protect the embankments in a satisfactory condition at all times until final completion and acceptance of the work. If the hauling equipment causes horizontal shears or slickensides, rutting, quaking, heaving, cracking, or excessive deformation of the embankments, limit the type, load, travel speed, and/or haul pattern of the hauling equipment on the embankments. Excavate and remove from the embankments any material which the Engineer considers objectionable and dispose of such material and refill the excavated area. Remove any embankment material placed outside of prescribed lines shown on the drawings. Replacement of any material rendered unsuitable as a result of the operation will be at the Contractor's own expense.
- b. Do not place frozen earth fill or fill upon frozen subgrade. Previously frozen fill shall be re-compacted prior to placement of additional fill.
- c. HAUL ROADS
Locate and construct haul roads at approved locations. Construct roads to maintain the intended traffic and be free draining. Maintain roads in good

condition throughout the contract period. When no longer needed, remove haul roads and topsoil and seed the area as requested by the Owner.

d. STOCKPILING FROM APPROVED BORROW SOURCES

Stockpile the excavated material, adjacent to the work until used, at locations approved by the Owner when the excavation from approved borrow sources or from required excavation progresses at a faster rate than placement of the fill is being accomplished. Plan operations to minimize stockpiling. Dress and maintain stockpiles so that the surfaces will be free draining. Suitable erosion control methods are to be incorporated adjacent to stockpile areas.

e. QUALITY CONTROL TESTING

- 1) The Owner at their option, may provide for quality control tests on the materials incorporated in the work, including classification testing of borrow materials from on-site sources. Copies of the results of the tests performed will be furnished to the Contractor upon request. The testing performed by the Owner in no way relieves the Contractor of the responsibility of completing the work in accordance with the specifications. The Contractor shall assist the testing personnel in taking tests to the extent of furnishing labor and equipment to prepare the areas for testing and curtailing operations in the vicinity of the test area during testing.
- 2) The Contractor has the right to conduct such tests as deemed necessary to assure compliance with the contract specifications. Conflicting results between the Owner's tests and those made by the Contractor will be resolved by the Engineer, and his decision shall be final.
- 3) The Contractor shall have the sole responsibility for seeing that the appropriate class of earth fill is placed in each zone. To this end, the Contractor will be responsible for determining any changes in materials from borrow sources, excavations, and stockpiles, and see that appropriate classification tests are requested in a timely manner. Any earth fill which does not meet the classification requirements for the zone in which it is placed, shall be removed and properly replaced with conforming material by the Contractor at no additional cost to the Owner.

f. SLIDES

In the event of slides in any part of the embankments prior to final acceptance of the work, remove all loose material from the slide area and rebuild the portion of the embankment as requested by the Engineer, at no additional cost to the Owner.

VENDOR COMPLIANCE TO STATE LAW

Section 2252.002, Texas Government Code, provides that, in order to be awarded a contract as low bidder, non-resident bidders (out-of-state contractors whose corporate offices or principal place of business are outside of the State of Texas) bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the State in which the non-resident's principal place of business is located. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident bidders in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that bidder. Resident bidders must check the box in Section B.

A. Non-resident vendors in _____ (give state), our principal place of business, are required to be _____ percent lower than resident bidders by state law. A copy of the statute is attached.

Non-resident vendors in _____ (give state), our principal place of business, are not required to underbid resident bidders.

B. Our principal place of business or corporate office is in the State of Texas.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C corporation, or S corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box on line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.

You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

SERVICE PROVIDER CONTRACT

In consideration of the mutual promises as set forth below, this Service Provider Contract ("Contract") is entered into this ____ day of _____, 2018 ("Effective Date"), by and between **PROVIDER NAME** ("PROVIDER"), with a mailing address of **ADDRESS**, and the Brazos River Authority, ("BRA"), with a mailing address of 4600 Cobbs Drive, Waco, Texas 76710.

Section I. Performance of Work

1.1 The PROVIDER hereby agrees to provide, perform, and complete to the satisfaction of the BRA all of the "Work" specified in Exhibit "A", attached hereto and incorporated by reference herein **[ADD IF APPLICABLE: , and the Bid Documents, incorporated by reference herein]**. The term "Work" as used herein shall mean the detailed description of tasks to be performed by the PROVIDER, as established in Exhibit "A". **[ADD IF APPLICABLE: In the event this Contract and the Bid Documents conflict, this Contract shall supersede the Bid Documents.]**

1.2 In performing the Work, the PROVIDER shall provide all necessary labor, services, transportation, information, data, and other means and items necessary to perform the Work.

1.3 The PROVIDER hereby covenants and agrees, as an independent contractor, to perform the Work required in strict accordance with the terms and provisions of this Contract and in a manner consistent with the level of care and skill ordinarily exercised for similar services in the State of Texas.

1.4 It is understood that the BRA has a vested interest in the quality of the Work to be performed under this Contract, and thus may make suggested revisions or recommendations regarding the Work to be performed under this Contract. The PROVIDER may accept or reject any such suggestions or recommendations. Acceptance of any such suggestions or recommendations shall not relieve the PROVIDER from any of PROVIDER's responsibilities or obligations under this Contract.

Section II. Contract Price and Payment

2.1 Payments for performance of the Work contemplated by this Contract shall be in the amount and in accordance with the provisions set forth in Exhibit "B", attached hereto and incorporated by reference herein.

2.2 Nothing contained in this Contract shall require BRA to pay for any Work that is unsatisfactory as determined by BRA or which is not submitted in compliance with the terms of this Contract.

2.3 BRA will not be required to make any payments to the PROVIDER, when the PROVIDER is in default under this Contract, nor shall this paragraph constitute a waiver

of any right, at law or in equity, which BRA may have if the PROVIDER is in default, including the right to bring legal action for damages or for specific performance of this Contract. Waiver of any default under this Contract shall not be deemed a waiver of any subsequent default. Nothing contained herein shall be construed as authorizing additional fees for services to complete actions not specifically listed for successful completion of the Work.

Section III. Term

3.1 The term of this Contract shall be for a period of one (1) year, commencing on the Effective Date, and may be renewed by subsequent agreement of the parties for up to four (4) additional one (1) year periods, for a total potential term of five (5) years. **[OR IF APPLICABLE: The services of the PROVIDER shall commence on the Effective Date of this Contract and shall continue until the Work is completed.]**

3.2 The PROVIDER additionally agrees to abide by any and all schedules or timing representations set forth in Exhibit “A”.

Section IV. Revisions to Work

4.1 BRA reserves the right to direct substantial revision of the Work after acceptance by BRA as BRA may deem necessary; but in such event BRA shall pay the PROVIDER equitable compensation for services rendered in making such revisions. In any event, when the PROVIDER is directed to make substantial revisions that are in addition to or alter the Scope of Work established in Exhibit “A”, the PROVIDER shall provide to BRA a written proposal for the entire cost involved in the revisions.

4.2 Prior to the PROVIDER undertaking any substantial revisions as directed by BRA, BRA must authorize in writing the nature and scope of the revisions, accept the method and amount of compensation, and the time required to perform all phases of the Work.

4.3 If revisions of the Work are required by reason of the PROVIDER’S error or omission, then such revisions shall be made by the PROVIDER without additional compensation and in a time frame as directed by BRA.

4.4 It is expressly understood and agreed by the PROVIDER that any compensation not specified in “Exhibit B” shall require prior written approval by BRA.

Section V. The Provider’s Coordination with BRA

5.1 The PROVIDER shall be available for conferences with BRA so that Work can be completed with the full benefit of BRA experience and knowledge of existing needs and facilities and be consistent with current policies and standards of the BRA. BRA shall make available to the PROVIDER all existing plans, maps, field notes, and other data in its possession relative to the Work.

Section VI. Termination

6.1 This Contract may be terminated at any time by BRA for any cause without penalty or liability. Upon receipt of such notice by BRA, the PROVIDER shall immediately discontinue all services and actions on behalf of BRA.

6.2 As soon as practicable after receipt of notice of termination, the PROVIDER shall submit a statement showing in detail the costs of services performed but not paid for under this Contract through the date of termination. The PROVIDER will forward to BRA all portions of the Work performed through the date of termination. BRA shall then pay the PROVIDER promptly the accrued and unpaid amounts due for services to the date of termination, to the extent the services are approved by BRA.

Section VII. Default

7.1 BRA may terminate this Contract without prejudice to any other remedy it may have, when the PROVIDER defaults in performance of any provision herein, or fails to carry out the Work in accordance with the provisions of this Contract.

7.2 On such termination, BRA may take possession of all the intellectual property prepared or gathered to date [OR IF APPLICABLE: equipment, and/or parts pertinent to the equipment, repaired or purchased to date] in performance of the Work and finish the Work in whatever way BRA deems expedient. On such default by the PROVIDER, BRA may elect not to terminate the Contract, and in such event, BRA may make good the deficiency in which the default consists, and deduct the costs from the Contract sum to become due to the PROVIDER.

Section VIII. Insurance

8.1 The PROVIDER shall, at PROVIDER'S sole expense, maintain insurance coverage as set forth below:

General Liability Insurance:

Bodily Injury	\$ 500,000 per person
Bodily Injury	\$ 1,000,000 per occurrence
Property Damage	\$ 1,000,000 per occurrence
Aggregate	\$ 2,000,000

Workers' Compensation:

Statutory

Automobile Liability:

\$ 1,000,000 per claim / aggregate

Employers' Liability

\$ 1,000,000 policy limit

Pollution Liability

\$ 1,000,000 per claim / aggregate

8.2 The PROVIDER shall not commence Work under the Contract until the PROVIDER has obtained all the insurance required under this Contract and such insurance has been approved by BRA, nor shall the PROVIDER allow any subcontractor to commence Work on the PROVIDER's subcontract until all requisite insurance of the subcontractor has been obtained and approved by BRA. All required policies shall name BRA as an additional insured, except Workers' Compensation and Employers' Liability Insurance and Professional Liability Insurance (as applicable). As proof of the PROVIDER's insurance coverage, the PROVIDER shall furnish to BRA valid certificates of insurance of the types and limits required herein, listing BRA as the certificate holder and additional insured, prior to commencing Work on the project. In the event PROVIDER's insurance coverage does not provide for automatic additional insured coverage, PROVIDER shall provide BRA an additional insured endorsement along with its certificate. As proof of insurance coverage by the PROVIDER's subcontractors, the PROVIDER shall furnish to BRA such subcontractors' valid certificates of insurance of the types and limits required herein, including additional insured endorsements listing BRA as an additional insured under such policies. In addition, the required insurance coverage shall contain a provision that coverage afforded under the policies will not be materially changed or canceled without provision of thirty (30) days written notice to BRA. The insurance requirements shall remain in effect throughout the term of the Contract.

8.3 Concerning insurance to be furnished by the PROVIDER, it is a condition precedent to acceptability thereof that:

- i. Any policy submitted shall not be subject to limitations, conditions or restrictions deemed inconsistent with the intent of the requirements to be fulfilled by the PROVIDER; and
- ii. All policies are to be written through companies duly approved to transact that class of insurance in the State of Texas.

8.4 The PROVIDER agrees to the following:

- i. The PROVIDER hereby waives subrogation rights for loss or damage to the extent same are covered by insurance. Insurers shall not have the right to recovery or subrogation against BRA, it being the intention that the insurance policies shall protect all parties to the Contract and be primary coverage for all losses covered by the policies;
- ii. Companies issuing the insurance policies and the PROVIDER shall have no recourse against BRA for payment of any premiums, or assessments for any deductible, as all such premiums are the sole responsibility and risk of the PROVIDER.
- iii. Approval, disapproval or failure to act by BRA regarding any insurance supplied by the PROVIDER (or any subcontractors) shall not relieve PROVIDER

of full responsibility or liability, if any, for damages and accidents as set forth in the Contract. Neither shall the insolvency or denial of liability by the insurance company exonerate the PROVIDER from liability.

iv. No special payments shall be made for any insurance that the PROVIDER and subcontractors, if any, are required to carry; all are included in the Contract price and the Contract unit prices; and

v. Any of the insurance policies required under this section may be written in combination with any of the others, where legally permitted, but none of the specified limits may be lowered thereby.

Section IX. No Third Party Beneficiary

9.1 No claim as a third-party beneficiary under this Contract by any person, firm, or corporation shall be made or be valid against the BRA, and the BRA shall not be liable for or be held to pay any money to any such person.

Section X. Successors and Assigns

10.1 The PROVIDER shall not assign this Contract in whole or part, assign any of its rights or obligations under this Contract or assign any payment due or to become due under this Contract, without the prior, express written consent of the BRA.

10.2 Any attempted or purported assignment by the PROVIDER without the BRA's approval shall be void and of no force and effect and shall constitute a default under this Contract.

Section XI. Liability

11.1 Acceptance of the Work by BRA shall not constitute nor be deemed a release of the responsibility and liability of the PROVIDER, its employees, agents, assigns or subcontractors for the accuracy and competency of the Work contemplated by this Contract.

11.2 The PROVIDER shall be solely and completely responsible for performing the Work with diligence and in a manner consistent with the level of care and skill ordinarily exercised for such similar services in the State of Texas.

Section XII. Indemnification

12.1 THE PROVIDER SHALL COMPLY WITH THE REQUIREMENTS OF ALL APPLICABLE LAWS, RULES AND REGULATIONS AND SHALL EXONERATE, INDEMNIFY AND HOLD THE BRA HARMLESS FROM ANY AND ALL LIABILITY OR DAMAGES RESULTING FROM FAILURE TO DO SO.

12.2 IN ADDITION, THE PROVIDER AGREES TO KEEP, SAVE AND HOLD BRA HARMLESS FROM ANY AND ALL ACTIONS, LIABILITIES, DAMAGES, JUDGMENTS, COSTS AND EXPENSES INCLUDING REASONABLE ATTORNEY'S FEES, IN CASE AN ACTION IS FILED OR DOES IN ANY WAY ACCRUE AGAINST BRA, ITS OFFICIALS, OFFICERS, AND EMPLOYEES IN CONSEQUENCE OF THIS CONTRACT FOR ANY NEGLIGENT ACT OR OMISSION OF THE PROVIDER IN THE PERFORMANCE OF THE WORK UNDER THIS CONTRACT, OR THAT MAY RESULT FROM THE CARELESSNESS OR LACK OF SKILL OF THE PROVIDER OR THE PROVIDER'S AGENTS, SUBCONTRACTOR, ASSIGNS OR EMPLOYEES. IN THE EVENT A JUDGMENT IS RECOVERED AGAINST BRA FOR ANY SUCH LIABILITY, COSTS OR EXPENSES, SUCH JUDGMENT SHALL BE CONCLUSIVE AGAINST THE PROVIDER.

12.3 IT IS SPECIFICALLY UNDERSTOOD AND AGREED BY THE PROVIDER THAT SUCH INDEMNITY IS INDEMNITY BY THE PROVIDER TO INDEMNIFY AND PROTECT BRA FROM LIABILITY, CLAIMS, SUITS, LOSSES, DAMAGES OR CAUSES OF ACTION CAUSED BY OR RESULTING FROM AN ACT OF NEGLIGENCE, INTENTIONAL TORT, INTELLECTUAL PROPERTY INFRINGEMENT, OR FAILURE TO PAY A SUBCONTRACTOR OR SUPPLIER COMMITTED BY THE PROVIDER, THE PROVIDER'S AGENT, CONSULTANT UNDER CONTRACT, OR ANOTHER ENTITY OVER WHICH THE PROVIDER EXERCISES CONTROL. BRA AGREES TO GIVE PROVIDER PROMPT NOTICE OF ANY CLAIM, CONTROL OF THE DEFENSE OR SETTLEMENT OF THAT CLAIM AND REASONABLE ASSISTANCE AND INFORMATION RELATED TO THE CLAIM.

Section XIII. Confidentiality

13.1 During the performance of this Contract, the PROVIDER has or will have access to confidential or proprietary information belonging to BRA. The PROVIDER herein agrees to maintain the confidentiality of the information received from BRA and information derived from performance of the Work.

13.2 This obligation shall not apply to information already in the public domain or to disclosures required by law, including the Texas Public Information Act.

Section XIV. Severability

14.1 If any of the terms, sections, subsections, sentences, clauses, phrases, provisions, covenants, or conditions of this Contract are for any reason held to be invalid, void or unenforceable, the remainder of the terms, sections, subsections, sentences, clauses, phrases, provisions, covenants, or conditions of this Contract shall remain in full force and effect and shall in no way be affected, impaired or invalidated.

Section XV. Independent Contractor

15.1 The PROVIDER covenants and agrees that PROVIDER is an independent contractor and not an officer, agent, servant or employee of BRA. The PROVIDER hereby acknowledges that it shall have exclusive control of and exclusive right to control the details of the Work, performed hereunder, and all persons performing same, and shall be liable for the acts and omissions of its officers, agents, employees, and subcontractors.

15.2 In addition, the PROVIDER agrees that the doctrine of respondeat superior shall not apply as between BRA and the PROVIDER and nothing herein shall be construed as creating a partnership or joint enterprise between BRA and the PROVIDER.

Section XVI. Disclosure

16.1 By signature of this Contract, the PROVIDER acknowledges to BRA that PROVIDER has made full disclosure in writing of any existing conflicts of interest or potential conflicts of interest, including personal financial interests, direct or indirect.

16.2 The PROVIDER further agrees that PROVIDER will make disclosure in writing of any conflicts of interest, which develop subsequent to the signing of this Contract and prior to final payment under the Contract.

Section XVII. Compliance with Laws and Licenses

17.1 The PROVIDER shall at all times observe and comply with all the provisions of the laws of the State of Texas and Federal laws, rules and regulations which in any manner limit, control, or apply to the actions or operations of the PROVIDER, his subcontractor(s), or his or their employees, agents or servants, engaged in performance of the Work.

Section XVIII. Venue and Choice of Law

18.1 The parties to this Contract agree and covenant that this Contract will be enforceable in McLennan County, Texas and that if legal action is necessary to enforce this Contract, exclusive venue will lie in McLennan County, Texas.

18.2 This Contract shall be construed under Texas law (without regard for choice of law considerations).

Section XIX. Entire Agreement

19.1 This Contract sets forth the entire agreement between the BRA and the PROVIDER with respect to the accomplishment of the Work and the payment of the Contract price therefore, and there are no other understandings or agreements, oral or written, between the BRA and the PROVIDER with respect to the Work and the compensation therefore, nor was the making and execution of this Contract induced by any representation, statement, warranty, agreement, or action other than those expressed or explicitly referenced herein.

Section XX. Amendments

20.1 No modification, addition, deletion, revision, alteration or other change to this Contract shall be effective unless and until such change is reduced to writing and executed by the BRA and the PROVIDER.

Section XXI. Headings

21.1 The headings of this Contract are for the convenience of reference only and shall not affect in any manner any of the terms and conditions hereof.

Section XXII. Remedies

22.1 No right or remedy granted herein or reserved to the parties is exclusive of any other right or remedy herein by law or equity provided or permitted; but each shall be cumulative of every other right or remedy given hereunder. No covenant or condition of this Contract may be waived without consent of the parties. Forbearance or indulgence by either party shall not constitute a waiver of any covenant or condition of this Contract.

Section XXIII. Review of Contract

23.1 The PROVIDER has carefully examined, reviewed, and accepted this Contract and there are no discrepancies, errors, omissions, ambiguities or conflicts in this Contract that are material to the PROVIDER'S provision, performance or completion of the Work, the Contract price or Contract schedule that have not been clarified in writing by the BRA to the satisfaction of the PROVIDER.

Section XXIV. Right to Audit

24.1 The PROVIDER shall establish and maintain a reasonable accounting system that enables BRA to readily identify the PROVIDER's assets, expenses, costs of goods, and use of funds. BRA and its authorized representatives shall have the right to audit, to examine, and to make copies of or extracts from all financial and related records (in whatever form they may be kept, whether written, electronic, or other) relating to or pertaining to this Contract kept by or under the control of the PROVIDER, including, but not limited to those kept by the PROVIDER, its employees, agents, assigns, successors, and subcontractors. Such records shall include, but not be limited to, accounting records, written policies and procedures; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc); all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices; ledgers; canceled checks; deposit slips; bank statements; journals; original estimates; estimating work sheets; Contract amendments and change order files; backcharge logs and supporting documentation; insurance documents; payroll documents; timesheets; memoranda; and correspondence.

24.2 The PROVIDER shall, at all times during the term of this Contract and for a period of ten years after the completion of this Contract, maintain such records, together with

such supporting or underlying documents and materials. The PROVIDER shall at any time requested by BRA, whether during or after completion of this Contract, and at the PROVIDER's own expense make such records available for inspection and audit (including copies and extracts of records as required) by BRA. Such records shall be made available to BRA during normal business hours at the PROVIDER's office or place of business and subject to a three day written notice. In the event that no such location is available, then the financial records, together with the supporting or underlying documents and records, shall be made available for audit at a time and location that is convenient for BRA.

24.3 The PROVIDER shall ensure BRA has these rights with the PROVIDER's employees, agents, assigns, successors, and subcontractors, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the PROVIDER and any subcontractors to the extent that those subcontracts or agreements relate to fulfillment of the PROVIDER's obligations to BRA.

Section XXV. Prohibition on Boycotting Israel

25.1 PROVIDER hereby verifies that PROVIDER:

- i. Does not boycott Israel; and
- ii. Will not boycott Israel during the term of this Contract.

26.1 All notices, communications, and reports required under the Contract shall be personally delivered or mailed to the respective parties by certified mail, return receipt requested at the addresses shown below, unless and until either party is otherwise notified in writing by the other party of a change in address. Mailed notices shall be deemed communicated as of five (5) days after mailing regular mail.
